

Expectations of Enrollment in First Course Culinary Training Program

- Strong interest in the food service industry
- 16 years or older
- Ability to commit to a 16 week training program
- Commitment to daily attendance and a full work schedule
- No **current** substance abuse problems (not actively using)
- Weekly meetings with an employment specialist
- Willingness to learn new skills
- Practice of good personal hygiene
- Ability to take direction and accept feedback
- Adhere to the conduct code of First Course
- Expectation of full or part-time employment after training
- Willingness to address barriers to success when issues arise
- Participation with “hands-on” and classroom training

I understand and agree with the expectations stated above to be considered for enrollment in the First Course Culinary Training Program.
